Dear Jacky,

Thank you for including us in the National Day of Broadcasting on National Child Day 2017. As you are aware, our office faced many challenges due to our remoteness, and our participation would not have been possible without the support of you and your team. I wanted to personally acknowledge that and thank you for going above and beyond to ensure the voice of Nunavut's children and youth were represented on the broadcast. We could not have done it without your support.

It was a true pleasure working with you. Please do not hesitate to reach out to us on similar projects in the future.

Sincerely,

Sherry McNeil-Mulak
Representative for Children and Youth
